## **ATTORNEY GENERAL DARRELL MCGRAW RELEASES PRELIMINARY DATA FROM STATEWIDE GAS WATCH**

Attorney General Darrell McGraw is releasing preliminary data that has been collected from the Statewide Gas Watch. County Sheriffs from thirty (30) counties across West Virginia are assisting the Attorney General by collecting gasoline prices.

Preliminary data that is being released begins on February 5 with data from the Kanawha County Sheriff's Department. Additional data that is included runs through March 19, 2004 and contains a sample from three counties, each from a different geographic location in West Virginia: South Central, North Central and Eastern.
